Organic &  
Eco-friendly

## About Jayvishnu Group

Jayvishnu Group of Companies have more than 15 years of experience in coconut & coir products. Jayvishnu Exports is the legal entity acting as export division.

We manufacture 100% Natural and Organic Coir Products to the horticulture, floriculture & substrates Industry in the brand "**Groverr Coco Peat**".

Groverr Coco peat is used worldwide as a growing medium for various hydroponics crops, nurseries, plant propagation and bedding plants. Jayvishnu group of Companies makes use of the most modern technologies and machineries along with high quality materials to produce different blends of Coir-Cocopeat Substrates.

In order to guarantee a premium quality product whilst ensuring delivery targets, a continuous and ample supply of Coir Pith is required. This is why we place our factory at the heart of the coconut triangle region in India.

**"Customer Satisfaction is our primary focus"**

Our Production facility is our strength and it also plays a vital role in our quality & sustainability. The entire manufacturing process is under control of highly qualified technical team.

We strictly follow the international standards to achieve high quality product.

# Coco Peat 5 KG Blocks

## Specifications

<b>Size</b>	30 x 30 x 12-15cm
<b>Weight</b>	5 Kg +/- 200 grams
<b>EC Value</b>	More than 0.7 mS/cm (High EC coco peat) Less than 0.7 mS/cm (Low EC coco peat)
<b>pH Value</b>	5.8 to 6.8
<b>Moisture Content</b>	less than 20%
<b>Compression Ratio</b>	5:1
